Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Museum of Science and Industry – Education Program Support program in the fiscal year 2023 Labor, Health and Human Services, Education and Related Agencies bill.

The entity to receive funding for this project is Museum of Science and Industry, located at 5700 S DuSable Lake Shore Dr, Chicago, IL 60637.

The funding for this project will allow Museum of Science and Industry to further develop the educational programs and resources it provides to K-12 students, their educators, and their families across the Chicagoland region. This work focuses on supporting high-quality STEM learning and engagement, with a priority on financially under-resourced neighborhoods and populations traditionally underrepresented in STEM fields.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mike Quigley
